Your private space is the space dedicated to all the proceedings regarding your PhD studies: enrollment, re-enrollment and PhD defense.

It allows you to:

- have access to your dossier that contains all your information
- make the annual update of all your personal information
- upload the required administrative documents
- have access to the ADUM Network services:
 - job offers
 - network of doctors and Ph.D. Students
- configure the online display of your information the way you wish
- display online your Skills Profile
- register for PhD training modules
- to promote your research works by publishing them on dedicated websites

My ADUM account

YOU WANT TO CREATE AN ACCOUNT?

When you create your personal account, this allows you to enroll as a PhD student and to benefit from different services offered by your university.

This account allows you to apply for a PhD thesis or to apply for the authorization to defend your thesis.
In the case you cannot fill in the application form in one session, you have the possibility to complete it later on.
Once your application form is completed, your digital dossier will be sent to the administrative services and you will be able to print the required documents.

Prepare the [elements required for your registration](#), in order to:

- gain time when enrolling or re-enrolling
- store descriptive data about the thesis and the monitoring of the research work
- consult and book for training modules
- have access to a ensemble of experiences and skills in which you can find many elements to furnish you CV
- have access to online information: news of the doctoral school, of the university, job offers, Ph.D. defense notices

Every Ph.D. trainee and doctors can update information about him/her at any time thanks to a secured access and can define what pieces information will be displayed online.

➤ MY PRIVATE SPACE

Your private space allows you to:

- download documents (pre-filled with your profile data) necessary for an administrative process of registration, re-registration or thesis defense.
- update your [data](#).
- set the online display of your data as you wish (see [CNIL](#))
- add your photo and/or detailed CV to your account
- request the validation of a training module not managed via ADUM
- obtain a "Skills Portfolio" document that includes your trainings and the skills you have indicated in the "Employability" form

It also includes « USEFUL SHEETS » : space for documents about texts and regulatory environment of the doctoral program.

MY PROFILE

IMPORTANT

ADMINISTRATIVE REGISTRATION AT UCA

You must now make your administrative registration with the establishment to obtain your student card or registration certificate.

Your registration is done entirely online. You do not have to make an appointment to register.

STEP 1 : pay the “CVEC”

BEFORE starting your online registration, you must pay the contribution of student and campus life (CVEC), after CROUS, for an amount of 92 € for the 2021/2022 academic year.

<https://cvec.etudiant.gouv.fr/>

Once the CVEC is paid, you will receive a confirmation and a payment number. You will be asked for this number when registering online.

(* Continuing education students are not subject to this contribution).

STEP 2 : pay for the administrative registration – Opened on july

Connect to the digital service IA primo (1st registration) or IA réins (re-registration).

<http://univ-cotedazur.fr/inscriptions/fr>

Bring your ADUM file number and CVEC number :

- Format of your CVEC number : xxxx-xxxxxx-xx
- The identifier to connect to the digital online registration service IAPrimo corresponds to your ADUM file number preceded by the letter AD.

Example: if your ADUM file number is 123456, your identifier is AD123456.

Online payment:

When registering on the digital service and pay by bank card.

Other payment methods :

- By cheque :

payable to the accounting officer of UCA, specifying your surname, first name and student number.

- By transfer : using the RIB of University of Côte d'Azur.

The check or proof of payment must be sent to the address given to you when you register online.

STEP 3 : file supporting documents

The day after your administrative registration, an email on your personal address informs you of the methods of activating your computer account (the **Sesame** account).

You **MUST** activate this account before submitting your supporting documents (you will be asked for your Sesame account ID and password).

The Sesame account will allow you to deposit your supporting documents and use all of the university's digital services: wifi, mailbox, educational application, electronic documentation, access to workstations, access to your notes, etc...

To activate your Sesame account, you need your student number (it was given to you when you registered) and a personal email address.

If you don't have one, we invite you to open one, there are many free providers.
